

(b) An agency may not disqualify an applicant solely because of his/her retired status.

Subpart C—Accepting, Rating, and Arranging Applications

§ 302.301 Receipt of applications.

(a) Each agency shall establish definite rules regarding the acceptance of applications for employment in positions covered by this part and shall make these rules a matter of record.

(b) Each agency shall apply its rules uniformly to all applicants who meet the conditions of the rules and shall furnish information concerning the rules to an applicant on his/her request.

§ 302.302 Examination of applicants.

(a) *Eligibility.* An evaluation of the qualifications of applicants for positions covered by this part may be conducted at any time before an appointment is made. The evaluation may involve only determination of eligibility or ineligibility or may include qualitative rating of candidates. If the evaluation involves only basic eligibility numerical scores will not be assigned and eligible candidates will be referred in accordance with the procedures described in paragraph (b)(5) of § 302.304. If qualitative ranking is desired, numerical scores may be assigned in accordance with paragraph (b) of this section. Each agency shall make a part of the records the reasons for its decision to use ranked or unranked referral and, for ranked actions, the quality ranking factors used. This information shall be made available to an applicant on his/her request.

(b) *Rating.* Numerical scores will be assigned on a scale of 100. Each applicant who meets the qualification requirements for the position established under § 302.202 will be assigned a rating of 70 or more and will be eligible for appointment. Candidates scoring 70 or more will receive additional points for veteran preference as provided in § 302.201. Numerical ratings are not required when all qualified applicants will be offered immediate appointment. When there is an excessive number of applicants, numerical ratings are required only for a sufficient number of

the highest qualified applicants to meet the anticipated needs of the agency within a reasonable period of time. The agency must, however, adopt procedures to insure the consideration of preference eligibles in the order in which they would have been considered if all applicants had been assigned numerical ratings. An agency shall furnish a notice of the rating assigned to an applicant on his/her request.

(c) *Nonpreference applicants for certain positions.* An agency may not consider or rate an application for the position of elevator operator, messenger, guard, or custodian submitted by a non-preference eligible as long as at least three qualified preference eligibles are available for the position.

(d) *Evaluating experience.* When experience is a factor in determining eligibility, an agency shall credit a preference eligible (1) with time spent in the military service of the United States if the position for which he/she is applying is similar to the position which he/she held immediately before his/her entrance into the military service; and (2) with all valuable experience, including experience gained in religious, civic, welfare, service, and organizational activities, regardless of whether pay was received therefor.

§ 302.303 Maintenance of employment lists.

(a) *Establishment—(1) Agency's obligation.* An agency must establish a priority reemployment list whenever any applicants rated eligible under § 302.302 meet the conditions set out in paragraphs (b)(1) through (b)(3) of this section and must consider candidates from that list in accordance with § 302.304(a). All applicants not included on the priority reemployment list will be listed on the regular employment list unless the agency elects to establish a reemployment list as provided in paragraph (c) of this section.

(2) *Agency discretion.* In establishing its lists, an agency may, but is not required to: Afford priority consideration to non-preference eligibles who meet the conditions set out in paragraph (b)(4) of this section; afford priority consideration under paragraph (b) of this section for a longer time and/or in a broader geographic area than the
